A quarterly newsletter of the project

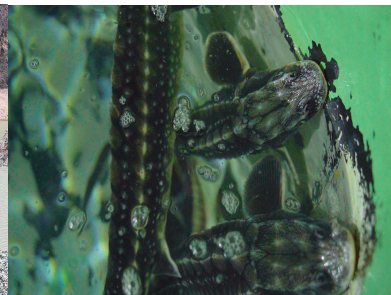

Common borders. Common solutions.

Danube Delta National Institute for Research and Development in partnership with Fisheries Areas Federation, Association of Cross-border Cooperation "Lower Danube Euroregion", Region of East Macedonia and Thrace, Karadeniz Technical University and Agency of Sustainable Development and European Integration "Lower Danube Euroregion" announces the launching of the project "Improving the existing competences and developing new ones in the aquaculture and fish products trade sector" DACIAT BSB-461, funded by the European Union through Joint Operational Programme Black Sea Basin 2014-2020, with ENI co-financing amounting to 629289,67 Euro

Between 19 March 2019 - 20 March 2019, DACIAT project partners participated in Istanbul - Turkey at the dissemination event of the project: International Conference "Regional Stakeholder Seminar on Blue Economy - Towards a Common Maritime Agenda in the Black Sea", event organized by DG MARE in partnership with BSEC, an event that hosted a dedicated aquaculture panel where presented the opportunities and challenges for the aquaculture sector. During the event the DACIAT project partners promoted the project by distributing promotional materials.

Between 20 March 2019 and 22 March 2019, project partners participated in Trabzon - Turkey at the first management meeting as well as technical activities - a study visit at the level of public and private stakeholders involved in aquaculture. On 21 March 2019, Partner 5 - Karadeniz Technical University from Trabzon organized the DACIAT Opening Conference, which was attended by 150 people.

Between 16 April 2019 and 17 April 2019, DACIAT project partners participated in Bucharest at Training for beneficiaries organized by Ministry of Regional Development and Public Administration for Black Sea Basin ENI CBC Programme 2014-2020

Joint Operational Programme Black Sea Basin 2014-2020
